Subject: Partial Release of Reclamation Surety, Ben Wilcken, ML 50053 Mine, S/027/0123, Millard County, Utah

Dear Mr. Wilcken:

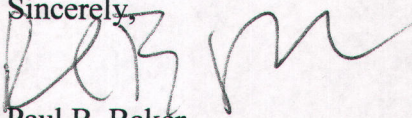

A representative of the Division of Oil, Gas and Mining inspected the referenced mine site on July 19, 2016, and it was determined that reclamation work had been satisfactorily completed to justify the release of \$5000.00 from the current cash surety of \$8000.00. The amount of \$3000.00 was retained to ensure reclamation and revegetation of the remaining disturbance.

Please find the enclosed check #F11495099 in the amount of \$5000.00.

Additional reclamation work was completed subsequent to the July 19, 2016, inspection, and the Division is processing a second release request. The Division anticipates releasing an additional amount of \$2,500.00 in coming weeks.

Please contact Peter Brinton at 801-538-5258 if you have questions regarding this action. Thank you for your cooperation and patience.

Sincerely,

  
Paul B. Baker  
Minerals Program Manager
